On July 27 at 1:00 p.m., little did we know that God would call our Mom's name. We can't begin to express how much we appreciate our church family and friends for your love and support during these difficult times. Thank you for the prayers you prayed on Mom's behalf and ours. Thank you, pastors and friends, for giving so much of your time to be with us at the hospital. The many phone calls, your cards of encouragement and comfort, the beautiful arrangements of flowers, the funeral service, and the wonderful food provided will never be forgotten. God healed Mom the day He took her home. What a blessed hope that we too will see her in the morning. Jesus doeth all things well. –Glen Baker and family
